

Jones Elementary Summer Reading 2022

Students will be recognized for participating in summer reading. Here are choices to complete summer reading.

Students will need to turn in completed form the first week of school to their new homeroom teacher. Put to the attention of Mrs. Christy (our new Media Specialist).

1. Read, or be read to, for ten hours (Gr 1) or 12 hours (Gr 2 and 3).
Keep a reading log with book title and time read. (Notebook paper will be fine.)
2. Participate in Scholastic's Summer Reading Program, log your reading time and print a report from your Home Base dashboard. (Read the amount of hours listed above.)
A link to this program can be found at jeslibrary.weebly.com

Get Georgia Reading

You can find some Learning Resources at getgeorgiareading.org/Georgia-summer/
Scroll down the page to find the "Learning Resources".

JES Resources

We want to remind you about some of the websites students can access over the summer.

Students will need to log in to their dashboard/launchpad to access **IXL, MobyMax, and**

BrainPOP Jr. account. To access, go to <https://www.bremencs.com/jones-elementary-school/>

Under JES Links you will see Student Launchpad at the bottom of the list. I'll also have a link at jeslibrary.weebly.com . If the student has forgotten their login please email Mrs. Perkins.

Students can also connect to the JES Web Links from their dashboard to use other websites. If you need the usernames and passwords for programs they are listed on the back of this page. Most of the programs usually go straight in when accessed from the JES Web Links page from your child's launchpad/dashboard.

Please let me know if you have any questions.

eBooks from the Public Library

On wgrls.org click on Digital at the top and choose eRead Kids. To check out a book you have to have a library card and a PIN. If you can't remember your PIN (password) you can reset it by going to gapines.org. On the top right hand corner click on "My Account". You can put in your library card number and then click on forgot my password. You'll get an email to reset it. Then go back to the website and click on the book you want to check out. Put in your library card number and your password where it asked for the PIN number. (When you first go to the site it looks like a lot of books are checked out. Try searching a series, author, or specific title to find some available books.)
